

More/less European integration strategy

Cover the following in a group presentation (approx) 25 minutes:

- What is the main objective of your strategy?
- What is the context of and rationale for your strategy, and what are your key arguments?
- What method would you propose to realise your strategy?
- Who are your allies/enemies among EU, non/member-state institutions and other policy actors?
- How to implement your strategy? What are your priorities?
 - Consider means for influencing the policy-making process.
 - Must address the issue of allies/enemies.
