

Week 2 Seminar Questions

1. What are the most important characteristics of public perspectives towards EUrope?

Which one do you identify with the most?

2. What are the most important characteristics of media perspectives towards EUrope?

What aspects have you come across the most in your country?

3. What are the most important characteristics of elite attitudes towards EUrope?

What aspects have been the most visible among policy-makers in your country? Give examples.

4. Are there any ways in which the perspectives of the media, public and elite may be aligned? If so, how? If not, why not?

5. How would you introduce the idea of EUrope – whether to do with the EU or the European region (regional integration/ globalisation perspective) to a ‘non-European’?
