

## Week 7 Seminar Questions

1. What actors are important to consider when analysing the EU's mobility and migration policies? Which of these actors do you consider the most powerful and why? Use examples to support your answer.
2. To what extent do you agree with the Commission's expectations about the link between mobility and citizenship in the EU? Support your answer with empirical examples.
3. Is migration a security issue in the EU? Consider the idea of 'Fortress Europe' and the 'gated community syndrome' in your answer.
4. In what ways has enlargement affected mobility and migration in the EU?
5. Discuss the extension of EU competence, institutional changes and the expansion of the Schengen Area.
6. How (if at all) have immigration and mobility policies affected the process of European integration so far? Discuss.
